

Odilo provides free digital books in Ukrainian for adults and children.

It is a free app for both Android and iOS 11 +

It is available all over Europe and has over 1,700 Ukrainian titles

Odilo can also be accessed on laptops or P.C.s by visiting:

<https://ukraine.unlimitedlearning.io/>

Downloading the Odilo App

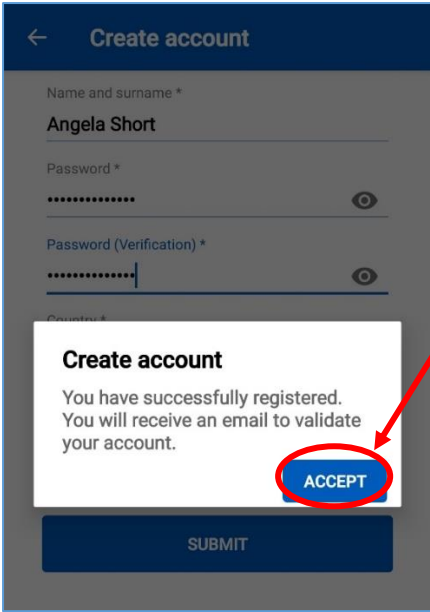

Go to your App or Play Store, search and download 'Odilo – Ukraine Unlimited Learning.'

When you open the app, tap 'SIGN UP.'

Enter your email, name, create a password and enter your country.

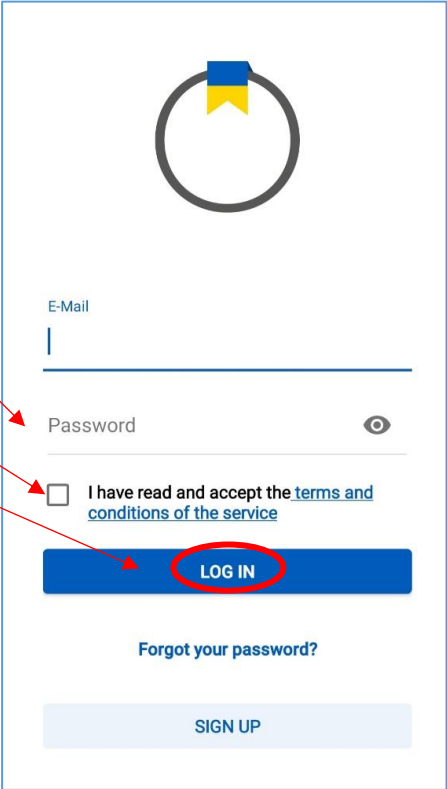

Tick 'I have read and accept the terms and conditions of the service.'

Then tap 'SUBMIT.'

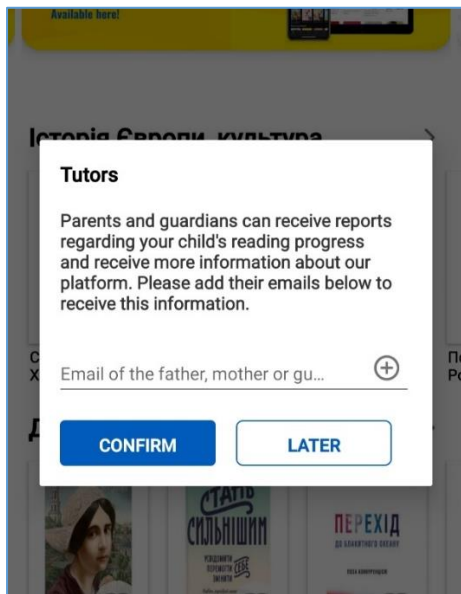

Tap 'ACCEPT.'

You will be asked to enter your email address and password.
Accept the terms and conditions
Tap 'LOG IN.'

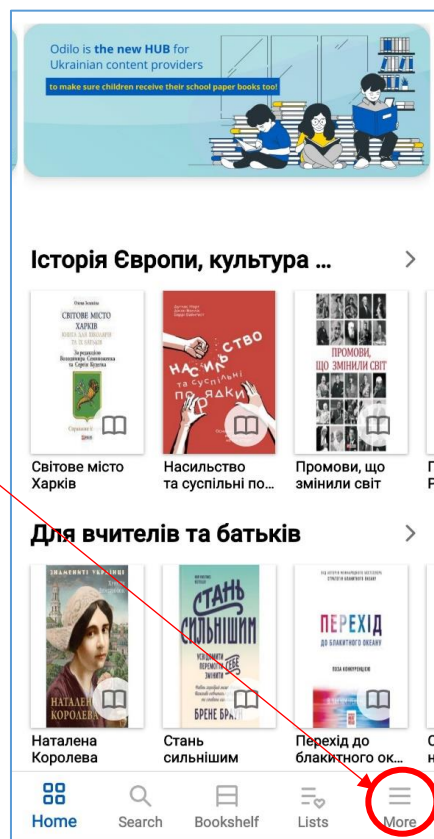

When you login in you will be asked if you would like to receive reports of your child's reading progress. This is good if your child is using the app to learn.

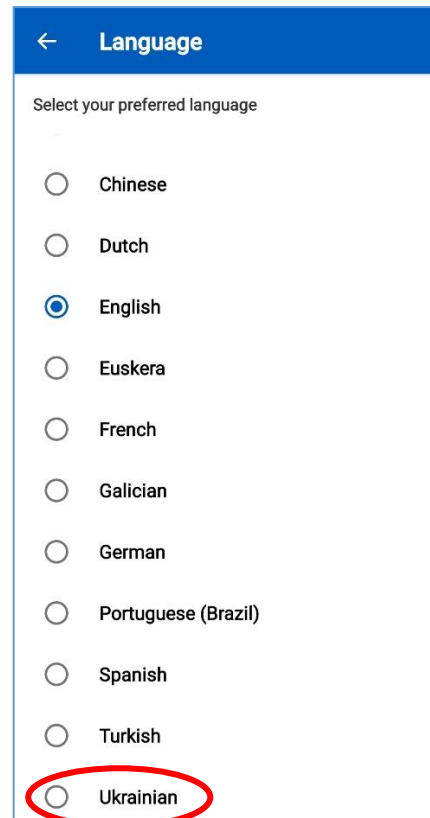

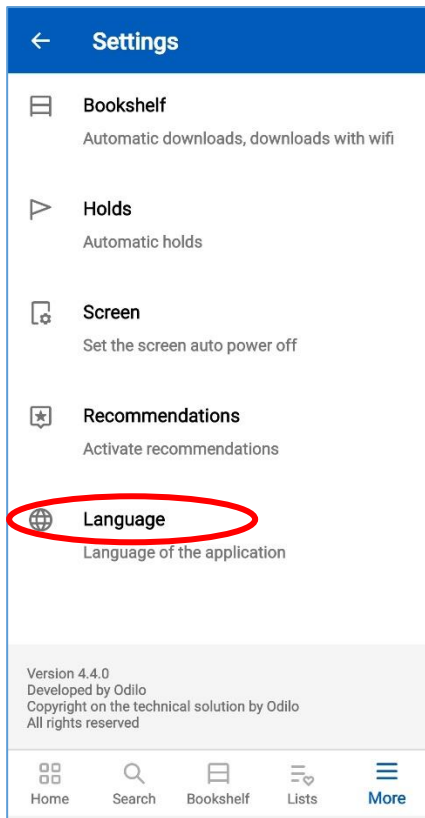

Select **'CONFIRM'** or if not, select **'LATER.'**

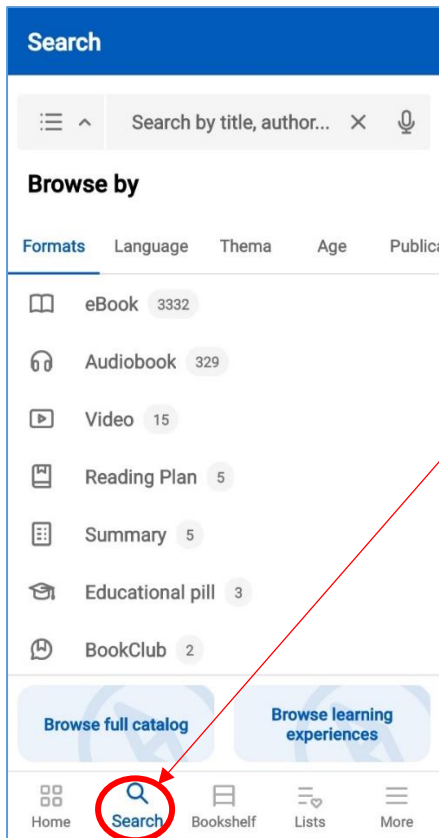

You will now be on the Odilo homepage.

To change the language of the app tap **'More.'**

Tap **'Language'** then select **'Ukrainian.'**

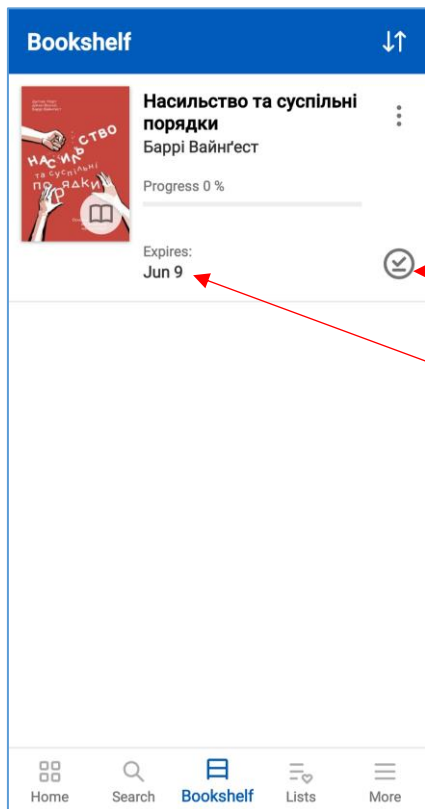

Tap on **'Search'** where you can choose books by language, genre and age group.

Once you find a book you would like, tap on the cover.

Tap **'Borrow.'**

It may take a minute to download but once the tick has appeared it has been completed.

The expiry date will also be displayed but this will be returned automatically

To return your book, tap on the three dots and then 'Return Loan.'
